SPALDING SPECIFICATIONS

DATE: 01/01/06

MODEL NUMBER: 411400-411405

DESCRIPTON: Peel 'N' Stick Padding for Glass Backboards

SPECIFICATIONS:

Peel 'N' Stick is an inexpensive protection for players against the sharp edges of glass backboards.

Padding shall be provided to protect 15" up either side of the backboard to meet all professional, college, high school, and FIBA specifications.

The padding shall be closed cell gray rubber providing a full 2" in thickness from the bottom and sides of the backboard frame. The 1-inch thick lip extending 3/4" from bottom and sides of backboard shall further protect the front and back surfaces of the backboard frame.

Padding shall be permanently adhered to the backboard frame by the high strength 3m adhesive tape included.

Padding is available in gray, red, green, royal blue and navy blue.

WARRANTY: 1-year on padding. Warranty is covered for indoor use only.

SHIPPING WEIGHT: 5 lbs.
